

CATALANO USA

Catalano lands in the United States as a market leader, with a sales network with record numbers

- ✓ **10,000 dealers**
- ✓ **400,000 sqm stock logistic centre**
- ✓ **350 people sales staff**
- ✓ **48h coast to coast deliveries**
- ✓ **300 millions inhabitants**

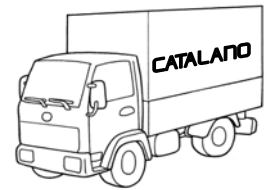

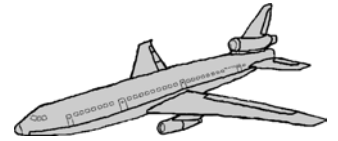

There we are!

Right from the start, Catalano faces the U.S.

market with a very impressive impact: through a sales network covering the whole territory in a capillary manner, Catalano will reach the end-consumers throughout 10,000 dealers.

Logistics

A distribution centre, 400,000 sqm wide, will ensure the total availability of the products and a logistics network will daily deliver to every state in the US, to serve in the best way the over 300 millions of people.

Human resources

A 350-people staff will be working every day to promote and raise the awareness of Catalano's brand and its high-quality and well-designed products.

Always #1

Catalano, leading exporter of Made in Italy sanitary-ware items worldwide, is now fully present in the most important and wider market of the world and in more than 100 countries.
