

Last Catalano achievements round the world!

Read on about these news

Iran. In the city of **Salmanshahr**, Ghoo's project, currently under construction, will cover an area of 40,643 smq. Ghoo's complex is a masterpiece of modern engineering, that matches perfectly with the top-level design of Catalano's.

Iran. In **Teheran**, we started our advertising campaign by placing these big billboards in the most important thoroughfares of the city.

Vietnam. Located in the city centre, in the heart of the business district, new luxury Sofitel Plaza in **Saigon** welcomes its guests with the high-end design of Catalano's products.

Taiwan. On March 11, a big party was held in our distributor showroom. All the attendants were the top interior designers in Taiwan, target of Catalano's production.
