

Catalano no.1 in international contract market *Excellent projects need excellent products*

Prague – Suntower

This exclusive residential building, with two undergrounds and twenty floors for a total of 36 luxury apartments, is located in the Prague area called Karlin.

Hong Kong – Tourism Hotel

The Hong Kong Polytechnic University of Hotel and Tourism Management is currently building a 262-room deluxe hotel, to be completed in 2010.

This 5-star hotel consists of 250 guest rooms topped by two floors of high-end serviced apartments. The innovative exterior sunscreen design responds to Hyderabad's harsh sunlight.

**Hyderabad, India
Park Hyatt hotel**

Barcelona - Residencia Gran Via Parc
